

MY COMPANY

As an employee, founder or CEO, you have the power to influence the future and have a positive impact.

1

ORGANIZE A CLIMATE FRESK IN YOUR COMPANY

Change starts with opening the discussion and learning more about the impacts of the climate crisis and how they will affect you in future. The climate fresk is a good tool for putting everyone on the same level and start the discussion towards solutions.

2

IMPROVE TRANSPARENCY AND ADOPT CERTIFICATIONS

Certified

Corporation

B Corporation is a label for companies fulfilling societal and environmental requirements, with the desire of having a positive impact and improving itself each year.

Global Reporting Initiative (GRI) is a renowned standard for the reporting of the sustainability performance of a company.

SCIENCE
BASED
TARGETS

DRIVING AMBITIOUS CORPORATE CLIMATE ACTION

The Science Based Targets Initiative (SBTi) helps companies to set targets for emissions reductions in line with the science and 1.5° goal.

3

TAKE EASY ACTIONS THAT CAN MAKE YOU SAVE MONEY

Invest in clean energy, develop circular products and services, set strategies and goals,...
